BARI 80 . Ceiling Mounted Luminaire

Precision machined cooling grooves and natural aluminum finish make the BARI family a perfect accent to contemporary architecture. Housing is machined from billet aluminum, then natural anodized. Standard housing has matching trim ring, while optional offset glass or aluminum disk adds a diffusing element, or lamp cut-off. Additional luminaire sizes are available, scaled to meet a variety of applications. All hardware is stainless steel.

Ⓛ Listed for Damp Locations.
