MOROCCO . Illuminating Bollard

MOROCCO combines timeless styling with glare-free illumination to harmonize effortlessly with many outdoor architectural spaces. The slender rectilinear housing and shaft are fabricated from extruded aluminum. Luminaire has three windows producing an asymmetric distribution pattern ideal for pathways and sidewalks, or four windows for a symmetric distribution. Louvered optics shield the source at normal viewing angles while providing soft, diffused illumination with minimal uplight. A top mounted matte acrylic lens adds a visual accent and is available in color. Standard colors; matte silver grey metallic, dark grey, or graphite grey. Special colors available. All hardware is stainless steel.

Model	Height	Lamp
MK1000	39.4"	LED / 18CF / 24CF
MK1100	43.3"	LED / 18CF / 24CF
