AUGUSTA

AUGUSTA

Wall Mounted Luminaire

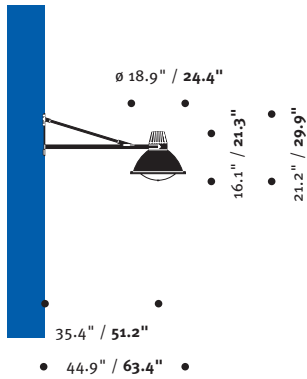

Simple industrial styling of the AUGUSTA is available in two sizes to meet a variety of scale requirements. Sharply defined lines of the cast aluminum head and steel mounting bracket are contrasted by the softly radiused spun aluminum shade and tubular support

strut. Shade is finished in high-reflectance white paint on the underside and houses the segmented horizontal lamp reflector. Doorframe with clear acrylic sag lens is hinged for ease of maintenance. Steel mounting bracket is hot-dip galvanized prior to

being finished in high quality paint. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available. See technical data sheet for details.

 Listed for Wet Locations

Model	Mounting	Lamp
AG480	Wall	100 MH / 70 MH / 50MH
AG620	Wall	150 MH / 100 MH
