SIDUS E . Bench

The SIDUS single bench strikes a perfect balance between metal and the natural warmth of wood. The frame, rails, and end piece are fabricated from steel, then hot-dip galvanized prior to being finished in finely textured paint. Seating is available with triple slats of natural wood in European Ash or African Kambala. Bench is flange mounted for surface installation. Standard colors; matte silver grey metallic, dark grey, graphite grey, or black. Special colors available. All hardware is stainless steel.
