## SIERRA Q/QG . Illuminating Column / Bollard

Sierra Q conveys contemporary design with its clean lines and square profile. Light is distributed evenly along the length of the translucent matte acrylic lens through direct and indirect internal reflectors. The extruded aluminum shaft is available with a horizontal or angle cut at the transition to the lens. Lamp is located in the top cap for easy relamping and increased efficiency. Electrical gear is housed in a weatherproof enclosure, accessible through the flush handhole. A low-level bollard is also available. Standard colors; matte silver grey metallic, dark grey, or graphite grey. Special colors available. All hardware is stainless steel. Listed for Wet Locations.

Model	Height	Lamp
SE42Q	39.4" SQ	39 MH / LED / RGBW
SE42QG	39.4" SQ	39 MH / LED / RGBW
SE4000Q	13' SQ	70 MH / LED / RGBW
