## VARELLO . Wall Mounted Luminaire

The simple cylindrical form of VARELLO blends subtly with a broad range of architecture. The heavy wall extruded aluminum housing, fitted top and bottom with precision-machined lens rings, provides subtle direct and indirect illumination. Matte acrylic window highlights the luminaire and serves as an illuminated focal point. Top and bottom lenses in the VL300 are matte acrylic, while VL485 lenses are clear tempered glass. Luminaire is finished in finely textured paint. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available.  Listed for Wet Locations.

Model	Mounting	Lamp
VL300	Wall	18 CF / 13 CF
VL485	Wall	18 CF w/ 2 x 55 Halogen / 2 x 39 Halogen

VL300
