NOVARA 450 S. Pole Mounted Luminaire

Cast aluminum and stainless steel create a synthesis of form and function in the NOVARA. The angular cast aluminum housing is punctuated by distinctive cooling fins. Mounting knobs are constructed of polished high-grade stainless steel. Single or twin configurations are fitted with clear tempered glass lens. Electrical conductor is housed in attractive braided stainless steel line. Straight round pole with flush handhole is available in steel or aluminum. Steel pole and mounting bracket are hot-dip galvanized prior to being finished in finely textured paint. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available. Listed for Wet Locations.

Model	Pole / Style	Lamp
