CANTO . Pole Mounted Luminaire

CANTO's smooth lines blend harmoniously with a variety of architecture. The dome shaped housing of heavy cast aluminum is available in two sizes to satisfy a variety of building scale requirements. Frameless tempered glass lens has single quarter-turn fastener for tool-less relamping. Hinged reflector assembly allows access to the ballast tray. Straight round pole with flush handhole is available in steel or aluminum. Steel pole is hot-dip galvanized prior to being finished in finely textured paint. Base cover is spun aluminum. All hardware is stainless steel. Standard colors; matte silver grey metallic or graphite grey. Special colors available. Listed for Wet Locations.

Model	Pole	Lamp
