OCTA . Tree Grate

The simple styling of the OCTA tree grate adds a geometric accent to outdoor spaces. The four-piece square tree grate is cast iron and available in two sizes to meet various scale requirements. Two removable plugs are included to accommodate watering. Two-piece hot-dip galvanized steel installation frame for level mounting of tree grate is included. All hardware is stainless steel. Complementary tree guards are available for comprehensive tree protection. Optional models accommodate one or two in-ground luminaires for accenting with uplight. Standard finish is graphite black.

Model	Nominal Dimensions	Dimensions					Weight
	Outside / Inside	A	B	H	S	E	
OCT150	59.1" / 24.4"	58.3"	24.4"	2.8"	0.8"	1.2"	415 lbs
OCT200	78.7" / 32.4"	78.0"	33.1"	2.8"	0.9"	1.2"	715 lbs
