PARCO . Illuminating Bollard

PARCO illuminates pathways with gracefully iconic styling and state of the art LED technology. The compact luminaire housing integrates into the gently arched bollard shaft for a semi-regressed appearance. The fully shielded luminaire emits zero uplight. It is suitable for LEED zones 1 through 4 and is Dark Sky compliant. PARCO is crafted from 6061-T6 aluminum with subtle design features such as concealed anchor bolts and absence of visible welds. All hardware is stainless steel. Standard colors; matte silver grey metallic, dark grey, or graphite grey. Special colors available. CSA certified for Wet Locations.
