V A R E S E . Pole Mounted Luminaire

The simple soft lines of VARESE adds refreshing styling to traditional and modern settings alike. Well proportioned for the illumination of streetscapes and pedestrian gathering areas, the luminaire features a cast aluminum top and base with integral fitter, making a visually seamless transition to the pole to produce a single, unified appearance. Cylindrical lens is clear acrylic. Optics include a choice of symmetric or asymmetric distributions to satisfy varying site lighting requirements. Straight round pole is available in aluminum or steel. Steel pole is hot-dip galvanized prior to painting for proven long term corrosion resistance. All hardware is stainless steel. Standard colors; matte silver grey metallic or graphite grey. Special colors available. CSA Certified for Wet Locations.

Model	Pole	Lamp
VAR200	10', 12', 14' Round Straight	LED
