## P O R T A L E X I T . Illuminating Bollard

The PORTAL EXIT bollard delivers an exterior rated architectural solution for visual guidance and messaging. Suitable for outdoor applications ranging from rooftop pool decks and gardens to courtyards, the slender rectangular profile integrates comfortably into a variety of architecture. The extruded aluminum bollard is available with green or red lettering to meet local code requirements. Custom signage or patterns may also be incorporated on request. Concealed mounting plate assembly delivers a clean, flangeless appearance. All hardware is stainless steel. Standard colors; matte silver grey metallic, dark grey, or graphite grey. Special colors available. CSA Certified for Wet Locations and UL924 standards.
