SERA W . Wall Mounted Luminaire

The contemporary free-form styling of SERA W features a one piece die-cast aluminum housing with integral adjustable fitter. Luminaire is standard with full cut-off, sealed optics. It may also be tilted in 5° increments up to 15°. Formed aluminum door latch fits flush to the housing and provides tool-less access to the optical compartment. Frameless tempered glass lens is sealed to the housing with one piece profiled silicone gasket. All hardware is stainless steel. Fabricated steel wall bracket is hot-dip galvanized prior to being finished in finely textured paint. Standard colors; matte silver grey metallic, dark grey, graphite grey, matte black, or dark bronze. Special colors available.  Listed for Wet Locations.
