

DESCRIPTION

Basic form and crisp edges allow the CERES bicycle rack to integrate into many styles of architecture. Bicycle rack is fabricated from cold-rolled steel and hot-dip galvanized prior to being finished in finely textured paint. All hardware is stainless steel. Standard colors; graphite grey, silver grey, dark grey, black, or dark bronze. Special RAL colors available.

SPECIFICATIONS

MATERIALS

Bicycle rack is fabricated from 2.4" wide x 0.47" thick cold rolled steel stock. Horizontal and radiussed sections of rack are plug and fillet welded to two vertical post sections. All welds are sanded to show no visible seams or marks, then hot-dip galvanized prior to painting. Bicycle rack holds two bicycles.

DIMENSIONS

35.4"h x 29.1"w x 2.4"d

WEIGHT

65 lbs

MOUNTING

Bicycle rack is available in embedded or flange mount models.

FINISH

Standard finish is finely textured matte silver grey metallic, graphite grey, dark grey, black, or dark bronze. Special RAL colors available on request.

WARRANTY

Limited product warranty period is five years.

DIMENSIONS

All dimensions are shown in inches unless otherwise noted.
