## BABA COMPLIANCE

BABA – The “Build America, Buy America Act” is the most expansive “Buy America” statute governing domestic content requirements for material sourced using Federal financial assistance (not direct Federal Procurement) as outlined in Executive Order M-24-02 and 2 CFR part 184.

BABA products must meet the below requirements:

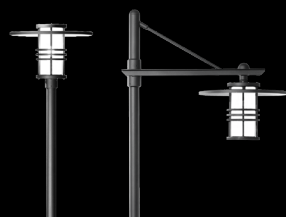

**Iron and steel:** All manufacturing processes, from the initial melting stage through the application of coatings, occurred in the U.S.

**Manufactured products:** All products are manufactured in the U.S., and the cost of its components that are mined, produced, or manufactured in the U.S. is greater than 55 percent of the total cost of all components.

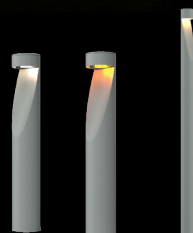

**Construction materials:** All manufacturing processes occurred in the U.S.

**Angular**  
Angular Pole Mount

**Avalon Series**  
Avalon 650 & 650T Pole  
Avalon 800 & 800T Pole
