

DESCRIPTION

SANTARI'S simple form blends with many architectural styles. Slats for seat and optional back are weather-resistant Kambola (Iroki) with golden brown color. Tubular steel legs converge downward and are welded to the base flange. Legs and steel frame are hot-dip galvanized prior to being finished in finely textured paint. All hardware is stainless steel. Standard color; graphite grey. Special colors available.

SPECIFICATIONS

SEAT

Kambala (Iroki) slats for seat and back are contoured to elliptical profile form. Edges are softly radiussed. Maximum thickness of wood is 2.4". Wood is planed to shape and rough-sanded prior to fine-sanding. Slats are attached to leg support frames with stainless steel hardware.

FRAME

Bench is supported by two leg support assemblies. Assemblies are fabricated from steel, hot-dip galvanized prior to painting. Three tubular steel supports converge at base of assembly and are welded to steel flange plate. All hardware is stainless steel.

MOUNTING

Flange mounted bench is secured to soil insert with stainless steel socket head cap bolts. Mounting hardware is provided.

FINISH

Standard finish is finely textured graphite grey. Special colors available on request.

SUSTAINABILITY

Wood is harvested from plantations using sustainable cultivation practices. All materials are 100% recyclable.

WARRANTY

Limited product warranty period is three years.

DIMENSIONS

All dimensions are shown in inches unless otherwise noted.
