SPECIFICATIONS

SEAT

European Ash slats are 6.45' x 5" x 1.75". Wood is planed to shape and rough-sanded prior to fine-sanding. Slats are then pressure treated with CCA-free preservative to achieve weather and decay resistance, then sanded again. Wood weathers to a silvery grey. Slats are attached to leg support frames with stainless steel hardware. African Kamabala (Iroki) slats are optional and available upon request.

FRAME

Frame assemblies are fabricated from steel, hot-dip galvanized prior to painting.

MOUNTING

Mounting options include flange mount for surface installation, or embedded for installation into a concrete foundation.

FINISH:

Standard finish is finely textured matte silver grey metallic, dark grey, graphite grey, black, or dark bronze. Special RAL colors available on request.

WARRANTY

Limited product warranty period is five years.
