

FARINO R

Compact Round Spotlight

.hess

DESCRIPTION

Farino is a compact, high-performance round spotlight featuring a first-of-its-kind optional Zoom Lens. Flexibility is unmatched in the field, with on-the-spot optical adjustment between 15° and 45°. Lighting options range from spot, medium, or wide beam angles, 4 static white CCTs, and standard or high output power levels, and it is powered by a remote mounted dimming driver for flexible installation. Farino is an integral component featured in Hess's Shadow Lights and Mosaic Montage Spot series. Housing is heavy-duty aluminum, IP65 rated, and is finished in a finely textured Primar® coating for demanding exterior conditions. A Square Farino is also available.

Date: _____ Type: _____ Catalog Number: _____

Custom options are available; consult factory for assistance via phone at (864) 487-3535 ext. 258 or via email at DesignServices@EXP-Brands.com.

SPECIFICATIONS

HOUSING

Material of the housing and trim plate are cast aluminum. Extruded and machined adjustable mounting bracket provides 30° adjustability in all directions. Self contained LED light module is gasketed and sealed for weathertight performance. LED light engine is thermally managed with open air heat sink that is built into the housing for optimal heat dissipation. Heat sink is extruded aluminum. All hardware is stainless steel.

MOUNTING

Custom mounting brackets are ordered separately and are available on request. Consult factory for assistance.

OPTICS

Field-adjustable zoom lens adapts optics from 15° to 45°. Fixed beam optics are also available in Spot 15° Beam, Medium 26° Beam, and Flood 36° Beam. All optical options feature finely crafted acrylic lens. Lens efficiency is 80%. Color temperature may be 2700K, 3000K, 3500K, or 4000K, with additional options available on request. CRI is 80.

LED DELIVERED LUMENS / WATTS

Standard Output: 1805 Delivered Lumens / 16 Watts

High Output: 2704 Delivered Lumens / 24 Watts

NOTE: Due to rapid and continuous advances in LED technology, LED luminaire data is subject to change without notice and at the discretion of HessAmerica. Consult factory for more current technical data. Final photometry is pending.

ELECTRICAL

Luminaire features a remote mounted 120-277 input voltage dimming driver offering 0-10v dimming control. Two power levels are available: Standard Output, consuming 16 Watts, and High Output, consuming 24 Watts. LED driver shall be UL recognized.

FINISH

Luminaire is finished in finely textured matte silver grey metallic, dark grey, graphite grey, matte black, or dark bronze. Custom RAL colors available on request. Hess standard textured finishes feature proprietary PRIMAR® protective coating for long-term corrosion and UV protection.

CERTIFICATION

NRTL Certification Pending

INGRESS PROTECTION

IP65

WARRANTY

Limited product warranty period including LEDs is five years. Driver shall carry the manufacturer's limited warranty.

CUSTOMIZE YOUR **EX**PERIENCE.

At Experience Brands, we believe every space deserves unique lighting elements. We proudly specialize in crafting solutions that reflect your personal vision. Our expert team is here to collaborate with you to design and implement customized features that elevate your environment.
