

FERRARA 150

Wall Mounted Luminaire

.hess

DESCRIPTION

Simple geometric styling defines the FERRARA series. Translucent acrylic lens creates soft diffused illumination. Housing is constructed of cast aluminum and heavy aluminum plate. Luminaire is finished in finely textured paint. Fixture may be mounted to wall or ceiling. All hardware is stainless steel.

SPECIFICATIONS

HOUSING

Two 6060 aluminum alloy sidewalls attach to opposite sides of the square cast aluminum base with concealed hardware. Sidewalls are 0.60" thick and have two ribs attached to the inner side to provide positive alignment of the lens. Matte acrylic cubic lens with integral flange has two white acrylic panels bonded to the outer surface to align the lens assembly to the luminaire. Two cast aluminum fascia elements seal the lens assembly to the single piece EPDM gasket on the base and are secured with countersunk stainless steel screws. Luminaire mounts to surface over single gang switch box with factory supplied hardware and wall anchors. All hardware is stainless steel.

OPTICS

Single COB LED directs light upward through matte acrylic lens producing soft diffused illumination.

ELECTRICAL

Electronic LED driver supplies 350mA drive current to the LED. The driver has a universal input voltage range from 120v to 277v at 50/60Hz. Driver is high power factor with performance greater than 90%. Power consumption is 12 watts. Optional 0-10v dimming available on request.

LED DELIVERED LUMENS / SYSTEM WATTS / BUG RATING

3000K: 597 Lumens / 12 Watts / B0-U3-G1

4000K: 643 Lumens / 12 Watts / B0-U3-G1

NOTE : Due to rapid and continuous advances in LED technology, LED luminaire data is subject to change without notice and at the discretion of HessAmerica. Consult factory for current technical data.

FINISH

Housing is cleaned ultrasonically prior to painting. Standard finishes are finely textured matte silver grey metallic, dark grey, graphite grey, matte black, or dark bronze. Special colors available on request.

WEIGHT

8 Pounds

CERTIFICATION

UL Listed for Wet Locations

WARRANTY

Limited product warranty period including the LEDs is five years. Driver shall carry the manufacturer's limited warranty.

CUSTOMIZE YOUR **EX**PERIENCE.

At Experience Brands, we believe every space deserves unique lighting elements. We proudly specialize in crafting solutions that reflect your personal vision. Our expert team is here to collaborate with you to design and implement customized features that elevate your environment.
